

BOREALIS

Embodying the unique and awe-inspiring wonder of the Pacific Northwest, Borealis blends the elegance of old-world wine craft with grit and creativity. Each sip demonstrates the balance and complexity that have made Oregon and Washington two of the world's preeminent wine regions.

PINOT NOIR

Light-bodied and fruit-forward with flavors of pie cherry and cranberry. The finish is clean, with a lingering acid and a hint of toast.

PINOT GRIS

Clean and crisp with flavors of Granny Smith apple, stone fruit and a hint of kiwi. The vibrant, cleansing acidity offers a quenching finish.

CABERNET SAUVIGNON

A full-bodied Cabernet Sauvignon rich with earthy minerality balanced with concentrated dark fruit.

RED BLEND

Inspired by the brilliance of traditional Bordeaux blends, this puts a little chaos in the mix with robust Washington Syrah.

WHITE BLEND

A lively palate showcases flavors of white peach and green apple. The moderately sweet finish leaves lingering notes of strawberry and guava.

PINOT ROSÉ

Vibrant flavors of strawberry, quince and apple on the palate bring a liveliness to every sip. The finish is smooth with notes of juicy red fruit.

CHARDONNAY

Aromas of melon and peach introduce flavors of apple and kumquat. The subtle oak is balanced by a bright acidity.

first Sight

Do you believe in love at first sight? Don't want to rush things, but we just might be in love. Pretty sure you'll feel the same way, especially when you see what we have to offer on the inside.

Bold, balanced and pairs perfectly with all of life's firsts. First Sight wines are sourced from CCOF-certified vineyards that steer clear of synthetic chemicals and pesticides. These organic farming practices allow us to reduce our overall environmental impact while still producing wines of the highest quality from the acclaimed Paso Robles AVA.

CABERNET SAUVIGNON

Bold, well-integrated tannins accompany flavors of boysenberry and blackberry. A subtle spice lingers on the finish.

SAUVIGNON BLANC

Crisp and refreshing with flavors of grapefruit and honeysuckle. The mouthwatering acidity allows for a clean finish.

It's a love story for the ages. Think kissing in the rain, boombox outside your window, "you complete me"... that's how you'll feel about this wine.

MONTINORE ESTATE IMPORTS

In 2022, we were lucky to add "Importer" to our ever-growing list of titles with the launch of our organic Prosecco. The following year, we had the opportunity to visit the organically farmed vineyards in Italy that would produce two new still wines under the Montinore Estate label.

VIVACÉ PROSECCO DOC

Vibrant citrus flavors on the entry develop into peach, lemongrass, honeysuckle and melon. The balanced acidity allows for a lingering finish.

VIVACÉ PROSECCO DOC

Aromas of strawberry and peach on the nose introduce flavors of raspberry and white flowers. The palate is dry and well-balanced.

LA MESSÉ SANGIOVESE

A round mouthfeel introduces flavors of red and black fruits. The juicy acidity of the wine propels ripe wild berries and violet onto the palate.

LA MESSÉ ALBANA SECCO

A subtle sweetness accompanies a burst of citrus. The bright acidity maintains a lively freshness throughout the long, elegant finish.

WHO WE ARE

Ackley Brands was founded in 2016 when the Ackley family purchased Montinore Estate, a leader in the world of Biodynamic® viticulture and sustainable winemaking, that had been producing wine in Oregon's Willamette Valley for nearly four decades. Ackley has since assembled an ambitious and discerning team to launch origin-obsessed brands across the beverage category that undeniably reflect the regions and terroirs from which they hail. From the bustling metropolis of Seattle, Washington to the picturesque landscapes of Northern Italy, Ackley Brands is committed to curating innovation, blending time-honored winemaking and brewing practices with modern creativity.

APPROACH

Our commitment is to drive each brand to its greatest potential through a culture of collaboration and creativity. We believe in and honor the continuity and stewardship of a winery's unique legacy, providing the necessary resources to enhance brand equity and existing quality.

ACCLAIM

The Ackley Brands portfolio has received over 100 critical scores of 90+ points and additional Double Gold, Gold and Silver Medals.

ACKLEY BRANDS

MONTINORE ESTATE

Established in 1982, Montinore Estate is one of the largest producers of certified estate wines made from Biodynamic® grapes in the country. With three Demeter-certified Biodynamic® and CCOF-certified vineyards located across the Willamette Valley, we are committed to maintaining the highest standards of ethical and sustainable viticulture.

Under the leadership of Head Winemaker, Stephen Webber, the Montinore Estate winemaking team focuses on producing wines that are expressive, approachable, food-friendly and structured for graceful aging.

BIODYNAMIC FARMING

Montinore Estate has been practicing Biodynamic® viticulture since the early 2000s. In 2008, the estate vineyard received its Demeter® certification, followed by Tidalstar Vineyard in 2020 and Laughlin Road Ranch in 2023.

RED CAP PINOT NOIR

A consistently well-crafted Pinot Noir at an approachable price point. The palate is smooth with flavors of red fruit and a structured, zesty finish.

PINOT GRIS

Our award-winning Pinot Gris is a crowd-pleaser with intensely fruit-forward aromas. The fresh and clean palate makes it versatile and beloved all year-round.

RESERVE PINOT NOIR

Curated barrel selections from the best growing sites of the year. Each block is fermented and aged separately, then assembled through rigorous blending trials.
